

The diagram shows a rectangular layout with a red border. A blue line runs horizontally across the middle, and two green lines run vertically, one on the left and one on the right. A horizontal arrow points from the center blue line to the left edge, and another from the center blue line to the right edge. Two diagonal arrows point from the top center towards the top corners. Text labels explain the function of each line: the red line is the cut line, the blue line is the safety line, and the green lines are the fold lines. Dimensions for finished and bleed sizes are provided at the bottom.

**RED LINE IS THE CUT LINE**

**THIS IS WHERE THE FINISHED  
PRODUCT WILL BE CUT**

**BLUE LINE IS THE SAFETY LINE**

**ANYTHING THAT IS NOT GETTING CUT  
MUST BE INSIDE THIS BLUE LINE**

**GREEN LINES ARE THE FOLD LINES**

**THIS IS WHERE THE JOB WILL  
BE FOLDED** →

**GREEN LINES ARE THE FOLD LINES**
